 v.) PCB 84-179

 ILLINOIS ENVIRONMENTAL)
 PROTECTION AGENCY)

ORDER OF THE BOARD (by J. Anderson):

On December 20, 1984 the Board ordered the Village to amend its petition within 45 days to cure certain deficiencies. No amended petition has been filed.

On March 29, 1985 the Village requested additional time to comply with the December order, stating that it had refrained from filing an amendment pending a compliance conference and discussions with the Agency.

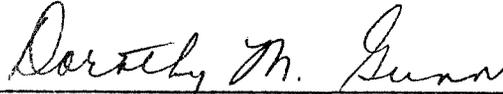

The Board notes that to be procedurally correct, the Village should have filed for an extension within the original 45 day period. The Board will, however, allow the Village until June 1, 1985 to file an amended petition, but if an amended petition is not filed by that date, this petition will be dismissed.

Finally, the Board notes that pursuant to 35 Ill. Adm. Code 103.143, the Village's request for extension of time constitutes a pro tanto waiver of the decision period until its amended petition is filed.

IT IS SO ORDERED.

B. Forcade concurred.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 4th day of April, 1985 by a vote of 5-0.
