ORDER OF THE BOARD (by J. Anderson):

This petition, filed by the City of Pana (Pana), requests a site-specific exclusion from the phosphorus limitations of 35 Ill. Adm. Code of 304.105 and 304.123, (old Rule 402 and 407(c) of Chapter 3) and old Rule 203(c) (35 Ill. Adm. Code 302.205).

The Board hereby waives, pursuant to Section 28 of the Environmental Protection Act, the requirement that 200 signatures accompany the Pana's petition. The petition is thus accepted for hearing.

The Board requests that Pana review the enclosed Opinion and Order of the Board regarding a similar petition by the City of Shelbyville (R83-12, December 20, 1984).

Finally, in noting the form of Pana's petition, the Board wishes to clarify that the role of the Environmental Protection Agency in the regulatory proceeding is as a participant, not a party respondent.
