ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a Complaint filed by Susan Haan, Complainant, against the City of Polo, Respondent, on October 19, 1987. The Board finds the complaint deficient in certain respects. First, the complaint fails to state which rule or regulation (of the Board's Water Pollution regulations) has been violated by the City of Polo (City). Second, the complaint does not state the manner or the extent to which the City is claimed to be in violation, i.e., what did the City do or fail to do to cause the violation? Third, the complaint fails to state what type of relief is being requested. Does the Complainant request the Board to enter a cease and desist order, to impose monetary penalties, and/or to revoke a variance or permit? For these reasons, the Complainant's action is dismissed without prejudice. If Complainant desires to pursue this matter, she is free to file a complaint correcting the noted deficiencies.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 29th day of October, 1987 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
