ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a March 6, 1984 motion to correct a clerical mistake in the Board's February 22, 1984 Order in this matter filed on behalf of Lamplighter Realty and Development Company. In that motion Lamplighter represents that the Illinois Environmental Protection Agency does not intend to file any response.

Lamplighter alleges that "it is clear from the language of the Board's Opinion that the Board intended to grant a variance to Lamplighter which would enable it to obtain the necessary permits to construct and connect the sewer extensions necessary to service the Willowbrook Office Campus," whereas the Order expressly allows only the issuance of a construction permit. The Board agrees that a mistake was made in the Order and hereby orders that the word "construction" in the third line of the February 22, 1984 Order be replaced with the words "construction/operating" to allow the necessary construction and operating permits to be issued.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 8<sup>th</sup> day of March, 1984 by a vote of 6-0.
