ORDER OF THE BOARD (by B. Forcade):

On July 29, 1986, Duo Fast Corporation ("Duo Fast") filed a Motion for Leave to Present Testimony and for Scheduling Order. Duo Fast requests that it be allowed to present testimony at the RACT III hearings scheduled for the first week in September, 1986, and that it be allowed to file its written testimony with the Board by August 8, 1986. This request would necessitate a modification of the Board's May 22, 1986, Scheduling Order. Duo Fast represents that the Illinois Environmental Protection Agency ("Agency") has no objection to this schedule and would itself prefer that Duo Fast's testimony be presented at the September, 1986, hearings.

Duo Fast had previously requested that it be permitted to submit prepared testimony on August 29, 1986, for presentation at the September 3, 1986, hearing. This request was denied by the Board on July 11, 1986, as the proposed pre-submission deadline did not provide adequate time for review by the Board and other interested participants. Duo Fast's new proposed schedule for pre-submission does provide sufficient time for review and preparation. Duo Fast's motion is hereby granted. However, if the prepared testimony is not filed with the Board by 5:00 p.m., August 8, 1986, Duo Fast will not be provided with an opportunity to present that testimony at the September, 1986, hearings.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 31st day of July, 1986, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
