ORDER OF THE BOARD (by J. Anderson):

The Board's Order of August 20, 1987 identified certain areas in which this petition and Agency Recommendation were unclear, and requested both parties to provide additional information. On August 31, the Agency filed a supplement to its Recommendation. By filing of August 31 as amended September 1, the Village waived the decision deadline in this matter until November 1 and requested an extension of time in which to file an amended petition. The Village has not specified the length of the extension sought.

The Board grants the Village's request for extension through September 21, making any Agency amended Recommendation in response to that filing due on October 21. In the event that the Agency determines at an earlier date that no amended Recommendation will be filed, the Agency is requested to so notify the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of September, 1987, by a vote of 6-0.
