ORDER OF THE BOARD (by J.D. Dumelle):

On September 29, 1982 the Illinois Environmental Protection Agency filed a motion for stay of proceedings in this matter to allow for analysis of soil and monitoring well samples which could aid the settlement process. No specific time period is requested, and there is no indication of the length of time needed. However, based upon the Agency's representation that the respondents have agreed that a stay is appropriate, the Board hereby orders that proceedings in this matter be stayed for a period of 60 days from the date of this Order. If more time is needed, a motion for extension of the stay may be filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of October, 1982 by a vote of 5-0.
