ORDER OF THE BOARD (by B. Forcade):

On December 30, 1986, General Tire, Inc. submitted a petition for variance. That petition is deficient in that:

- a) It fails to explain the rationale for extending compliance with 35 Ill. Adm. Code Sections 215.462 and 215.465(b) until December 31, 1991, when the compliance option has not yet been selected; and
- b) It fails to contain a statement on consistency with federal law as required by 35 Ill. Adm. Code Section 104.122(a).

Unless an amended petition is filed within 45 days curing the above-noted defects, this matter will be subject to dismissal.
