**HEARING OFFICER ORDER**

On October 20, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties agreed to continue to discuss a possible resolve to this matter and the respondent is hopeful that it will be able to forward additional proposals to the complainants prior to the next status conference. If needed, submission of a proposed discovery schedule will be discussed at the next status conference. The complainants were reminded to file their response to respondent’s affirmative defense, filed August 26, 2005, on or before October 28, 2005. All parties must be served.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 1, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
