ORDER OF THE BOARD (by J. Marlin):

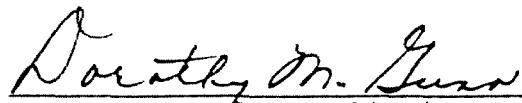

On October 21, 1987, the Illinois Environmental Protection Agency (Agency) filed a Motion for Reconsideration of the Board's September 17, 1987 Opinion and Order. On November 12, 1987, the Agency notified the Board that Pressnall has not accepted a certified letter containing a copy of the Agency's motion. The Board's procedural rules state that a response to a motion for reconsideration must be filed within 14 days after the filing of the original motion. Pressnall has not filed any type of response.

The Board hereby grants the Agency's request for reconsideration. At this time, the Board will not consider the substantive rationale as to how the Agency wishes the Board to change its previous Opinion and Order, but rather, by this Order, the Board is merely stating that it will reconsider its September 17 Opinion and Order. If Pressnall wishes to submit any responses to the Agency's substantive position, he must file copies of that response with the Board's Chicago and Urbana offices by December 1, 1987. The Board's Urbana address is:

Illinois Pollution Control Board  
104 West University Avenue  
Urbana, IL 61801

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of November, 1987, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
