ORDER OF THE BOARD (by J.P. Novak):

On September 1, 2005, the Board, at the parties' request, extended until November 28, 2005 the time period within which Carroll Scientific, Inc. (Carroll Scientific) may appeal two determinations of the Illinois Environmental Protection Agency (Agency) relative to its facility: (1) a July 25, 2005 determination to grant an operating permit, with modifications, and (2) a July 28, 2005 determination to grant a construction permit. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. The Agency approved a permit for (1) operation; and (2) construction of air emission sources and control equipment regarding Carroll Scientific's ink additives manufacturing facility at McCook, Cook County.

On October 12, 2005, Carroll Scientific filed a motion to voluntarily withdraw these appeals. The Board hereby grants that motion, dismisses these cases, and closes the dockets.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 20, 2005, by a vote of 5-0.
