CODIFICATION OF) R81-2
CHAPTER 2: AIR POLLUTION)

ORDER OF THE BOARD (by D. Anderson):

On July 26, 1983 the Board proposed to codify Chapter 2: Air Pollution as 35 Ill. Adm. Code: Subtitle B, Chapter I. The draft was made available to the public for comments through September 2, 1983.

On August 31, 1983 the Illinois Environmental Protection Agency (Agency) asked that the Board extend the comment period to September 23. This would not provide sufficient time for consideration of the comments prior to the Board's meeting on September 23, or sufficient time for any revision of the regulations prior to the October 1 date for codification [1 Ill. Adm. Code 1100(c); 7 Ill. Reg. 10746].

The Board will accept comments filed through September 19, 1983, and will give comments received during the extended period as much consideration as is possible within the constraints of the deadline for codification. Participants are urged to send partial comments as soon as they are completed in order to give the Board as much time as possible.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8th day of September, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
