

ILLINOIS POLLUTION CONTROL BOARD
September 8, 1983

IN THE MATTER OF:)
) R81-25
PROHIBITION ON LANDFILLING)
OF HALOGENATED SOLVENTS)

ORDER OF THE BOARD (by D. Anderson):

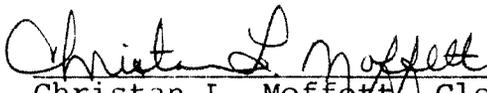

On September 6, 1983, Waste Management moved the Board to modify its Order of August 18, 1983 that directed that additional hearings in this matter be commenced on or before October 2, 1983. In support of this motion, counsel stated that he would be unable to attend hearings presently scheduled for September 27 and 28 as a result of the Supreme Court's scheduling of oral argument in an unrelated matter for September 28.

Citizens for a Better Environment (CBE) filed a response September 8, 1983. Counsel for CBE does not specifically object to the request. She has, however, requested that the Board conclude any hearings in this matter by October 20, in consideration of the upcoming birth of her child.

Waste Management motion is granted, and the September 27 and 28 hearings are canceled. CBE's motion is also granted, and hearings in this matter shall be concluded on or before October 21, 1983. The Board will not order that hearings be scheduled for any particular dates, but will leave this to its Hearing Officer. The Hearing Officer is requested to accommodate the request of counsel for CBE concerning hearing locations to the extent practicable.

IT IS SO ORDERED.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8th day of September, 1983 by a vote of 5-0.

Christian L. Moffett, Clerk
Illinois Pollution Control Board
