ORDER OF THE BOARD (by J.D. Dumelle):

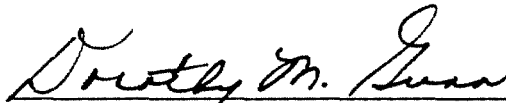

This matter was initially brought before the Board by the Illinois Department of Transportation's (IDOT) notification of receipt of an application for permit from the Great Lakes Naval Training Center, requesting authorization to install 12 pile clusters in the Great Lakes Harbor in Lake Michigan. IDOT's notification was filed with the Board on September 9, 1987, and docketed as PCB 87-134.

Subsequently, further documentation was received; but mistakenly docketed as PCB 87-144.

It is hereby Ordered that Docket No. PCB 87-144 is stricken and all matters pertaining to PCB 87-144 shall be included and subsumed within Docket No. PCB 87-134.

IT IS SO ORDERED.
