CONCURRING OPINION (by W.A. Marovitz):

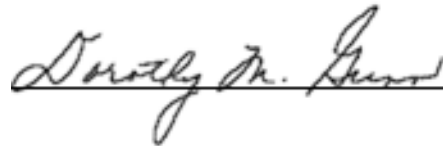

I respectfully concur with the Board's order issued today. The City of Chicago states that it has uncovered additional facts and has determined that no compliance issues remain in the case. I would like to know what facts the City of Chicago discovered that lead the City of Chicago to change its mind about issuing this administrative citation.

For this reason, I respectfully concur.

Board Member

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the above concurring opinion was submitted on September 19, 2002.
