ORDER OF THE BOARD (by J. Anderson):

The original variance petition in this action was filed April 30, 1985 and an amended petition was filed June 10 in response to the Board's more information Order of May 2.

Finding that the June 10 amended petition did not address all of the informational deficiencies pinpointed in the May 2 Order, the Board again requested that information by Order of June 27. That Order stated that "If an amended petition addressing these issues is not filed within 45 days of the date of this Order [August 12, 1985], this petition will be subject to dismissal."

No amended petition has been filed. This petition is accordingly dismissed because of its inadequacy. The Board notes that this dismissal does not preclude initiation of a new variance proceeding by the filing of a new variance petition containing all of the information previously requested by the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5<sup>th</sup> day of September, 1985, by a vote of 7-0.
