ORDER OF THE BOARD (by J. Anderson):

On December 15, 1982 the Board received a letter asking for "temporary approval" to operate what would seem to be a treatment plant bypass pipe until the Village accomplishes updating of its sewer system and treatment plant. The Board construes this as a petition for variance from 35 Ill. Adm. Code 306.103, and notes that the petition fails to contain most of the information required by Sections 104.121 and 104.124.

The Clerk is directed to provide the Village with copies of said rules. If an amended petition curing the noted deficiencies is not submitted within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of December, 1982 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
