ORDER OF THE BOARD (by B. Forcade):

On August 13, 1984, the parties to this proceeding filed a joint motion to modify the Board's July 19, 1984 Order. The July 19 Order required a hearing to be scheduled within 30 days and held within 60 days or this matter would be subject to dismissal. The August 13 joint motion urges the Board to require the parties to file status reports in the immediate future, in lieu of holding a hearing.

This case was filed in 1979. It is now 1984 and hearing has still not been held. The parties have not provided any factual or legal impediments to Board action on this matter.

The motion is granted to the extent that the Board will modify the time for scheduling and holding the hearing; the motion is denied to the extent it requests filing status reports in the immediate future, in lieu of hearing.

Unless a hearing in this matter is scheduled within 30 days and held within 60 days from the date of this Order, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 22nd day of August, 1984 by a vote of 6-0.
