PCB 87-54

OPINION AND ORDER OF THE BOARD (by J.D. Dumelle):

This provisional variance request comes before the Board upon an April 29, 1987 recommendation of the Illinois Environmental Protection Agency (Agency). The Agency recommends that a thirty (30) day provisional variance be granted to Olin Hunt Specialty Products, Inc. (Olin Hunt), pursuant to 35 Ill. Adm. Code 722.134(b) to allow Olin Hunt to store twenty-five (25) drums of hazardous waste on-site after expiration of its ninety (90) day storage limit on April 15, 1987.

After investigation of Olin Hunt's request, the Agency concluded that the twenty-five (25) drums of hazardous waste must remain on-site for longer than the ninety (90) days due to unforeseen, temporary, and uncontrollable circumstances and that compliance with the accumulation time requirements of 35 Ill. Adm. Code 722.134 would impose an arbitrary or unreasonable hardship. The Agency recommends that the provisional variance be granted from April 15, 1987 to May 15, 1987.

Pursuant to Section 35(b) of the Act, the Board hereby grants the provisional variance as recommended. This Opinion constitutes the Board's findings of fact and conclusions of law in this matter.

ORDER

Olin Hunt Specialty Products, Inc., is hereby granted a provisional variance pursuant to 35 Ill. Adm. Code 722.134(b) to store twenty-five (25) drums of hazardous waste from April 15, 1987 to May 15, 1987.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 30<sup>th</sup> day of April, 1987 by a vote of 6-0.

Dorothy M. Gunn
