ORDER OF THE BOARD (by B. Forcade):

On April 18, 1985, the Illinois Environmental Protection Agency ("Agency") filed a motion to dismiss for inadequacy or in the alternative to compel a specification of alleged error. The Agency claims that the petition for review of the NPDES permit filed by Warner Electric Brake & Clutch Company ("Warner") is not specific enough and consequently, the factual and legal issues are not clear. This motion is denied. The Agency may refile this motion with the hearing officer if it so chooses.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2<sup>nd</sup> day of May, 1985, by a vote of 6-0.
