ORDER OF THE BOARD (by J.D. Dumelle):

On July 1, 1982 the Board delayed reconsideration of this matter until this date and ordered that a joint report be filed by August 27, 1982 to report on negotiations between the parties. Such report was filed on that date.

The parties and the new owner of Second Chance have met and progress has apparently been made. They jointly request that reconsideration be further delayed and that another joint report be filed on October 18, 1982.

That motion is granted, and decision on the motion for reconsideration is hereby withheld until October 27, 1982. The parties are to file a joint report on actions taken toward resolution of this matter on or before October 18, 1982.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 2ND day of September, 1982 by a vote of 5-0.
