RULEMAKING FOR CODIFICATION OF ) R81-4  
CHAPTER 4: MINE RELATED POLLUTION )

ORDER OF THE BOARD (by J. D. Dumelle):

On June 10, 1981 the Board proposed to revise Chapter 4: Mine Related Pollution. The thirty day comment period allowed by that Order has now elapsed. No comments have been received except from the Illinois State Library, which on July 2, 1981 approved the rules with only minor changes in form and spelling. The Board therefore adopts the codified rules as Title 35: Environmental Protection, Subtitle D: Mine Related Water Pollution, Chapter I: Pollution Control Board. The Board finds that no substantive changes have been made and directs the Clerk to file the codified rules with the Secretary of State and publish a notice of codification with no substantive changes in the Illinois Register (1 Ill. Admin. Code Section 160.1103). A copy of the notice shall be attached to this Order and published with the Opinions.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23<sup>rd</sup> day of July, 1981 by a vote of 5-0.
