HEARING OFFICER ORDER

On November 23, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that offers and counter-offers continue to be exchanged. At issue is a supplemental environmental project, which the Illinois Environmental Protection Agency recently received additional information from the respondent. By agreement, complainant is directed to file its response to the respondent's affirmative defenses on or before February 28, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 2, 2006, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
