**PETITION FOR REVIEW**

COME NOW the Respondents, REX D. EVANS and ROY W. EVANS, JR., by and through their attorney, Rammelkamp Bradney, P.C., and pursuant to 35 Ill. Adm. Code 108.100 *et seq.* file this Petition for Review of the Administrative Citation filed by Complainant, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY. In support of this Petition for Review, Respondents state as follows:

1. Respondents were served with the Administrative Citation on November 10, 2005, and accordingly, this Petition is timely filed in accordance with 35 Ill. Adm. Code 108.204.
2. Respondents are owners of a facility located in rural Murrayville, Morgan County, Illinois.
3. That the Complainant has filed two separate Administrative Citation proceedings, docketed as PCB No. AC 2006-16 and PCB No. AC 2006-17, in which the Complainant mistakenly characterizes the Respondents' facility as two separate facilities and for which two separate penalties are sought.

4. The facility at issue, however, is one and the same facility, and it is inappropriate for the Complainant to treat the facilities separately and for the Complainant to seek imposition of what is essentially a double penalty for the same violations.
5. It is further the Respondents' position that some of the violations alleged in the Administrative Citation were the result of uncontrollable circumstances.
6. Finally, Respondents maintain that the deposition of fly ash on Respondents' property, an alleged violation in Complainant's citation, was only done after first obtaining approval and acknowledgement of the Complainant.

WHEREFORE, Respondents, REX D. EVANS and ROY W. EVANS, JR., respectfully request that the Board set this matter for hearing and after hearing enter an Order consolidating the alleged violations into one Administrative Citation and reducing the applicable penalties and fines accordingly.

**MOTION TO CONSOLIDATE**

COME NOW the Respondents, REX D. EVANS and ROY W. EVANS, JR., by and through their attorney, Rammelkamp Bradney, P.C., and pursuant to 35 Ill. Adm. Code 101.406 file this Motion to Consolidate the above-referenced Administrative Citation proceedings. In support of this Motion, Respondents state as follows:

1. Respondents seek consolidation of the above-referenced Administrative Citation proceedings for purposes of hearing and decision.
2. Although the citations purportedly apply to two separate facilities, they in fact apply to one singular facility with common ownership and common operation.
3. Economy of the parties and the Board will be best served by allowing the requested consolidation.
4. While neither party will be prejudiced by the requested consolidation, the Respondents may, in fact, be prejudiced if the consolidation is denied.
5. Pursuant to 35 Ill. Adm. Code 101.406, consolidation is appropriate "in the interest of convenient, expeditious, and complete determination of claims, and if consolidation would not cause material prejudice to any party."

6. For the reasons set forth herein, Respondents seek consolidation.

WHEREFORE, Respondents, REX D. EVANS and ROY W. EVANS, JR., respectfully request that the Board consolidate the Administrative Citation proceedings known as PCB Nos. AC-2006-16 and AC-2006-17.
