**AMENDED REQUEST FOR NINETY DAY EXTENSION
OF APPEAL PERIOD**

NOW COMES the Respondent, the Illinois Environmental Protection Agency (“Illinois EPA”), by one of its attorneys, Melanie A. Jarvis, Associate Counsel, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, **hereby amends the previous request for a 90-day extension of appeal due to errors in the caption of the prior submittal.** All other provisions and attachments were correct in the prior pleading and the Illinois EPA requests that the Illinois Pollution Control Board (“Board”) grant an extension of the thirty-five (35) day period for petitioning for a hearing to May 1, 2022, or any other date not more than a total of one hundred twenty-five (125) days from the date of receipt of the Illinois EPA’s final decision. In support thereof, the Illinois EPA respectfully restates as follows:

1. On or about December 14, 2021, the Illinois EPA issued a final decision to the Petitioner.
2. On December 27, 2021, the Petitioner made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA to join in

requesting that the Board extend the thirty-five day period for filing a petition by ninety days. Upon information and belief, Petitioner received the final decision on or about December 27, 2021.

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty-five day period for petitioning for a hearing.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY
