4. The Facility is located in an Illinois EPA-designated area of Environmental Justice (“EJ”) concern. Illinois EPA determines areas of EJ concern based on census block group data identifying higher concentrations of low-income and minority populations.

5. Rajwinder Kaur owns and operates gasoline-dispensing pumps at the Facility that emit volatile organic compounds (“VOCs”) into the environment.

6. Section 9(a) of the Act, 415 ILCS 5/9(a) (2020), provides as follows:

No person shall:

- a. Cause or threaten or allow the discharge or emission of any contaminant into the environment in any State so as to cause or tend to cause air pollution in Illinois, either alone or in combination with contaminants from other sources, or so as to violate regulations or standards adopted by the Board under this Act.

7. Section 3.315 of the Act, 415 ILCS 5/3.315 (2020), provides the following definition:

“Person” is any individual, partnership, co-partnership, firm, company, limited liability company, corporation, association, joint stock company, trust, estate, political subdivision, state agency, or any other legal entity, or their legal representative, agent or assigns.

8. Rajwinder Kaur, an individual, is a “person” as that term is defined in Section 3.315 of the Act, 415 ILCS 5/3.315 (2020).

9. Section 3.165 of the Act, 415 ILCS 5/3.165 (2020), provides the following definition:

“Contaminant” is any solid, liquid, or gaseous matter, any odor, or any form of energy, from whatever source.

10. VOCs are “contaminants” as that term is defined by Section 3.165 of the Act, 415 ILCS 5/3.165 (2020).

11. Section 218.586(i)(1)(B) of the Illinois Pollution Control Board (“Board”) Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B), provides as follows:

No later than December 31, 2016, an owner or operator of a gasoline dispensing operation shall complete the decommissioning of all vapor collection and control systems in accordance with all of the provisions specified in subsection (i)(2).

12. Section 218.586(a)(7) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(7), provides the following definition:

“Gasoline dispensing operation” means any operation where motor vehicle fuel is dispensed into motor vehicle fuel tanks or portable containers from a storage tank with a capacity of 2176 liters (575 gallons) or more.

13. The Facility is a “gasoline dispensing operation,” as that term is defined in Section 218.586(a)(7) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(7).

14. Section 218.586(a)(11) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(11), provides the following definition:

“Owner” or “operator” means any person who owns, leases, operates, manages, supervises or controls (directly or indirectly) a gasoline dispensing operation.

15. Rajwinder Kaur is an “owner” or “operator,” as that term is defined in Section 218.586(a)(11) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(11).

16. Section 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 254.218(i)(2)(C), provides as follows:

The owner or operator of a gasoline dispensing operation and the contractors that performed the decommissioning shall complete and sign a decommissioning checklist and certification, provided by the Agency,

documenting the decommissioning procedures performed. Within 30 days after completion of the decommissioning procedures specified by subsection (i)(2)(B), the owner or operator shall provide the completed checklist and certification and the test results to the Agency.

17. By December 31, 2016, Rajwinder Kaur was required to decommission the Facility's vapor collection and control system in accordance with Section 218.586(i)(1)(B) of the Board Air Pollution Regulations, 35 Ill. 21. By violating Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B) and 218.586(i)(2)(C), Rajwinder Kaur caused or threatened or allowed the discharge or emission of VOCs into the environment so as to violate regulations adopted by the Board, and has thereby violated Section 9(a) of the Act, 415 ILCS 5/9(a) (2020). This violation occurred in an Illinois EPA-designated EJ community.
