**HEARING OFFICER ORDER**

On April 28, 2022, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the Board's order that denied respondent's motion for summary judgement, allowed complainant to amend his complaint to add additional parties by May 23, 2022, and to set a discovery schedule. Kruk v. New Trier High School, PCB 20-10 (April 7, 2022).

Complainant stated that he intends to file the amended complaint adding additional neighbors as complainants by the due date. The parties agreed that they will discuss a briefing schedule and file it for my review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 23, 2022, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, including a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
