HEARING OFFICER ORDER

On July 21, 2022, a telephonic status conference was held. Respondent again did not appear. Complainant reported that it has filed a motion to deem facts admitted and a motion for summary judgment on May 20, 2022. Complainant also reported that it has been in contact with respondent only once since the complaint was filed and has included it in the call-in number for the telephonic status conferences. Finally, complainant stated that respondent did forward some documents but were incomplete.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 3, 10:00 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
