COMPLAINT

Complainant, PEOPLE OF THE STATE OF ILLINOIS, by KWAME RAOUL, Attorney General of the State of Illinois (“Complainant”), complains of Respondent, 3803 ROOSEVELT LLC, an Illinois limited liability company, d/b/a BP, as follows:

COUNT I

FAILURE TO TIMELY DECOMMISSION VAPOR COLLECTION AND CONTROL SYSTEM AND SUBMIT REPORTS

1. This Complaint is brought on behalf of the People of the State of Illinois by Kwame Raoul, Attorney General of the State of Illinois, on his own motion and at the request of the Illinois Environmental Protection Agency (“Illinois EPA”), against 3803 ROOSEVELT LLC, an Illinois limited liability company, d/b/a BP (“Respondent” or “BP”), pursuant to Section 31 of the Illinois Environmental Protection Act (“Act”), 415 ILCS 5/31 (2020).

2. The Illinois EPA is an administrative agency of the State of Illinois created pursuant to Section 4 of the Act, 415 ILCS 5/4 (2020), and is charged, *inter alia*, with the duty of enforcing the Act.

3. At all times relevant to this Complaint, BP has been and is an Illinois limited liability company in good standing with the Illinois Secretary of State.

4. At all times relevant to this Complaint, BP owned and operated, and continues to own and operate, a gasoline dispensing facility located at 3803 West Roosevelt Road, Chicago, Cook County, Illinois 60624 (the "Facility").

5. As of the date of filing of this Complaint, the Facility is located in an area of Environmental Justice ("EJ") concern as identified using Illinois EPA EJ Start.

6. BP owns and operates gasoline dispensing pumps at the Facility that emit volatile organic compounds ("VOCs") into the environment.

7. Section 9(a) of the Act, 415 ILCS 5/9(a) (2020), provides as follows:

No person shall:

(a) Cause or threaten or allow the discharge or emission of any contaminant into the environment in any State so as to cause or tend to cause air pollution in Illinois, either alone or in combination with contaminants from other sources, or so as to violate regulations or standards adopted by the Board under this Act.

8. Section 3.315 of the Act, 415 ILCS 5/3.315 (2020), provides the following definition:

"Person" is any individual, partnership, co-partnership, firm, company, limited liability company, corporation, association, joint stock company, trust, estate, political subdivision, state agency, or any other legal entity, or their legal representative, agent or assigns.

9. BP, a limited liability company, is a "person" as that term is defined in Section 3.315 of the Act, 415 ILCS 5/3.315 (2020).

10. Section 3.165 of the Act, 415 ILCS 5/3.165 (2020), provides the following definition:

“Contaminant” is any solid, liquid, or gaseous matter, any odor, or any form of energy, from whatever source.

11. VOCs are “contaminants” as that term is defined by Section 3.165 of the Act, 415 ILCS 5/3.165 (2020).

12. Section 218.586(i)(1)(B) of the Illinois Pollution Control Board (“Board”) Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B), provides as follows:

No later than December 31, 2016, an owner or operator of a gasoline dispensing operation shall complete the decommissioning of all vapor collection and control systems in accordance with all of the provisions specified in subsection (i)(2).

13. Section 218.586(a)(7) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(7), provides the following definition:

“Gasoline dispensing operation” means any operation where motor vehicle fuel is dispensed into motor vehicle fuel tanks or portable containers from a storage tank with a capacity of 2176 liters (575 gallons) or more.

14. The Facility is a “gasoline dispensing operation,” as that term is defined in Section 218.586(a)(7) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(7).

15. Section 218.586(a)(11) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(11), provides the following definition:

“Owner” or “operator” means any person who owns, leases, operates, manages, supervises or controls (directly or indirectly) a gasoline dispensing operation.

16. BP is an “owner” or “operator,” as that term is defined in Section 218.586(a)(11) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(a)(11).

17. Section 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(2)(C), provides as follows:

The owner or operator of a gasoline dispensing operation and the contractors that performed the decommissioning shall complete and sign a decommissioning checklist and certification, provided by the Agency, documenting the decommissioning procedures performed. Within 30 days after completion of the

decommissioning procedures specified by subsection (i)(2)(B), the owner or operator shall provide the completed checklist and certification and the test results to the Agency.

18. By December 31, 2016, BP was required to decommission its vapor collection and control system in accordance with Section 218.586(i)(1)(B) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B), and therefore was required to submit a decommissioning checklist, certification, and test results within 30 days after completion of decommissioning procedures, pursuant to Section 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(2)(C).

19. As of the date of filing of this Complaint, BP has not submitted a decommissioning checklist, certification, or test results to Illinois EPA.

20. By failing to submit a decommissioning checklist, certification, and test results to Illinois EPA, BP violated Section 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(2)(C).

21. On information and belief, BP failed to timely decommission its vapor collection and control system and thereby violated Section 218.586(i)(1)(B) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B).

22. By violating Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B) and 218.586(i)(2)(C), BP caused or threatened or allowed the discharge or emission of VOCs into the environment so as to violate regulations adopted by the Board, and has thereby violated Section 9(a) of the Act, 415 ILCS 5/9(a) (2020).

WHEREFORE, Complainant, PEOPLE OF THE STATE OF ILLINOIS, respectfully requests that the Board enter an Order against Respondent, 3803 ROOSEVELT LLC, an Illinois limited liability company, d/b/a BP, with respect to Count I:

1. Authorizing a hearing in this matter at which time Respondent will be required to answer the allegations herein;

2. Finding that Respondent has violated Section 9(a) of the Act, 415 ILCS 5/9(a) (2020), and Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B) and 218.586(i)(2)(C);

3. Ordering Respondent to cease and desist from any future violations of Section 9(a) of the Act, 415 ILCS 5/9(a) (2020), and Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B) and 218.586(i)(2)(C);

4. Requiring Respondent to decommission its vapor collection and control system pursuant to Section 218.586(i)(1)(B) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B), and submit a decommissioning checklist, certification, and test results to Illinois EPA pursuant to Section 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(2)(C);

5. Assessing against Respondent a civil penalty of Fifty Thousand Dollars (\$50,000.00) for each violation of the Act and pertinent regulations, and an additional civil penalty of Ten Thousand Dollars (\$10,000.00) for each day of violation;

6. Taxing all costs in this action, including, but not limited to, attorney, expert witness, and consultant fees against Respondent; and

7. Granting such other relief as the Board deems appropriate and just.

Respectfully submitted,

PEOPLE OF THE STATE OF ILLINOIS
