ORDER OF THE BOARD (by J. Anderson):

On August 13, 1981 the Hearing Officer requested the Board to enter an Order to expedite scheduling and holding of hearing in this matter which has been on the Board's docket since September, 1979. On August 19, 1981, Continental Grain responded that an Order was unnecessary, as discovery in the actions was proceeding, albeit after some delay caused by the death of a principal Agency witness and a change of counsel representing the Agency. On September 1, 1981 the Agency also opposed the request.

Rather than ordering that hearing be held by a date certain, the Board directs that an expeditious schedule for the completion of discovery and the holding of hearings in this action be established. The Hearing Officer may renew his request for a Board Order if necessary.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3rd day of September, 1981 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
