Respondent.)

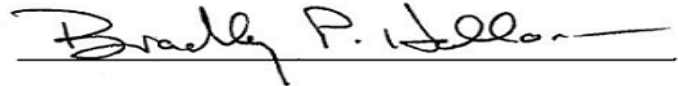

HEARING OFFICER ORDER

On October 4, 2022, all parties participated in a telephonic status conference with the hearing officer. Discussions centered around the stack testing that apparently will be completed by March/April of 2023. The petitioner stated it will file an additional waiver of the statutory decision due date to and including June 1, 2023.

It was also noted that on September 23, 2022, respondent filed a motion for extension of time to file the record in this appeal to and including December 16, 2022. Petitioner does not object. Respondent's motion is granted and the record is now due on December 16, 2022.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 7, 2022, at 10:00 a.m. (ct). The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

Bradley P. Halloran
Hearing Officer
Illinois Pollution Control Board
60 E. Van Buren Street
