Hey Patrick,

I filed a formal complaint with the Illinois Pollution Control Board regarding this site we discussed and you inspected a few months ago. I am attempting to serve them with the paperwork but there is no office, signage, absolutely nothing where you can find anybody at the site or get information. There is however violations in the open. Please see attached

If I'm not mistaken I should be able to go to the site and track down someone to hand this paperwork to correct?

Can you help me get in touch with someone to take a look at the SWPPP book? Is it even at the site?

Thanks,

Kind Regards,
