Don Brown
100 W. Randolph St., Ste. 11-500
Chicago IL 60601

Subject: IPCB R2022-018

Dear Mr. Brown:

We are asking the Board to impose the most stringent regulations possible on these toxic PFAS/PFOS aka Forever Chemicals. There are alarming discrepancies between the USEPA PFAS health advisory levels based on the latest scientific understanding and levels actually recorded at your groundwater public water supplies.

Sincerely,

Name: Tom JASINSKI
