HEARING OFFICER ORDER

On December 6, 2022, a telephonic status conference was held. Respondent did not appear. Complainant reported that it appears that the parties have reached a settlement and will be drafting a stipulation and proposal for settlement (stipulation).

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 16, 2023, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference the conference will be cancelled without further notice.

IT IS SO ORDERED.
