Thomas,

Illinois law requires Everclean Car wash be served with a copy of the formal complaint via a certified mail or in person. My previous email won't suffice.

There is not an address listed in a publicly available place which I can find.

Can you please provide an address for delivering the documents to?

If I am unable to discover a way to serve the forms, my requests for fines etc. can be entered against you without objection. Similar to how a restraining order works.

Participating in the process may afford the opportunity to hold other appropriate parties accountable.

Don Brown, Clerk of The Illinois Pollution Control Board who made the request of me is copied on this email.

Thank you in advance.
