Public Hearings & Notices

NOTICE OF PUBLIC HEARING
VILLAGE OF WEST DUNDEE, KANE COUNTY, ILLINOIS, ON THE PROPOSED APPROVAL OF THE VILLAGE OF WEST DUNDEE SPRING HILL MALL AREA TIF #5 TAX INCREMENT FINANCING REDEVELOPMENT PLAN AND PROJECT
Notice is hereby given that on the 9th day of January, 2023 at 7:30 p.m., at the Village of West Dundee Village Hall, 102 S. Second Street, West Dundee, Illinois, a public hearing (the "*Hearing*") will be held to consider the approval of the proposed Village of West Dundee Spring Hill Mall Area TIF #5 Tax Increment Financing Redevelopment Plan and Project (the "*Plan and Project*"), the designation of the Spring Hill Mall Area TIF #5 Tax Increment Financing Redevelopment Project Area (the "*Project Area*") and the adoption of tax increment financing therefore. The Project Area consists of the territory legally described on Exhibit A and generally described as the following area:
The southern portion of the Spring Hill Mall properties that are located within West Dundee's corporate limits, along with additional commercial parcels northwest of the mall south of Huntley Road and other commercial parcels south of the mall along West Main Street between Village Quarter Road and Locust Drive.
The Plan and Project objectives are to reduce or eliminate blighting conditions, to enhance the tax base of the Village and other affected taxing districts by encouraging private investment in retail, commercial, residential and mixed-use development within the Project Area, and to preserve and enhance the value of properties therein, all in accordance with the provisions of the "Tax Increment Allocation Redevelopment Act," effective January 10, 1977, as amended (the "*Act*"). The Village may issue obligations to finance project costs in accordance with the Plan and Project, which obligations may also be secured by the special tax allocation fund and other available funds, if any, as now or hereafter permitted by law, and which also may be secured by the full faith and credit of the municipality.
At the Hearing, there will be a discussion of the Plan and Project, designation of the Project Area, and the adoption of tax increment allocation financing for the Project Area. The Plan and Project is on file and available for public inspection at the office of the Village Clerk at Village Hall, 102 S. Second Street, West Dundee, Illinois.
Pursuant to the proposed Plan and Project, the Village proposes to facilitate redevelopment of the Project Area by incurring or reimbursing eligible redevelopment project costs, which may include, but shall not be limited to, studies, surveys, professional fees, property assembly costs, construction of public improvements and facilities, building rehabilitation, reconstruction, renovation and repair, financing costs, and interest costs, all as authorized under the Act. The Plan and Project proposes to provide assistance by paying or reimbursing costs including, but not limited to, site assembly, analysis, professional services and administrative activities, public improvements and facilities, building rehabilitation, capital costs incurred by a taxing district as a direct result of a redevelopment project, the payment of financing and interest costs, and such other project costs as permitted by the Act pursuant to one or more redevelopment agreements.
Tax increment financing is a public financing tool that does not raise property taxes but is used to assist economic development projects by capturing the projected increase in the property tax revenue stream to be created by the increase of the assessed value of the development or development area and investing those funds in improvements associated with the project.
At the Hearing, all interested persons or affected taxing districts may file written objections with the Village Clerk and may be heard orally with respect to any issues regarding the approval of the proposed Plan and Project, designation of the Project Area, and adoption of tax increment allocation financing therefore.
The Hearing may be adjourned by the President and Board of Trustees of the Village without further notice other than a motion to be entered upon the minutes of the Hearing fixing the time and place of the subsequent hearing.
For additional information about the proposed Plan and Project and to file comments or suggestions prior to the hearing contact Timothy Scott, Director of Economic Development, Planning, Zoning and Urban Design of the Village of West Dundee, 102 S. Second Street, West Dundee, Illinois 60118, 847.551.3805.
By Order of the President and Board of Trustees of the Village of West Dundee this 7th day of November, 2022.

Final Notice and Public Explanation of a Proposed Project in a 100-year Floodplain
Publication Date: December 20, 2022
To: All Interested Agencies, Groups and Individual
This is to give notice that the Illinois Housing Development Authority (IHDA) has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands. The following IHDA proposed acquisition and new construction project would be funded by an IHDA Risk Share Loan, LIHTC, and CAHGP.
The proposed project is entitled Quentin Apartments. The proposed project is the acquisition and new construction of a 58-unit affordable housing development, located at 301 W. Johnson Street, Palatine, IL. The proposed project site consists of a 5.05 acre parcel. The proposed development will include an apartment building and four townhome buildings attached to the main building. The proposed new development will consist of 24 one-bedroom, 19 two-bedroom and 15 three-bedroom units. Amenities include on-site management, parcel room, security lighting, community room, outdoor play area, fitness center, bike parking, business center, wifi, and an outdoor terrace and grill area.
The proposed project would be the acquisition and new construction 58-unit affordable housing development, located at 301 W. Johnson Street, Palatine, IL. The proposed project site consists of a 5.05 acre parcel. The proposed development will include on apartment building and four townhome buildings attached to the main building and will line Johnson Street. The proposed new development will consist of 24 one-bedroom, 19 two-bedroom and 15 three-bedroom units. Amenities include on-site management, parcel room, security lighting, community room, outdoor play area, fitness center, bike parking, business center, wifi, and an outdoor terrace and grill area.
Salt Creek runs from the northeast section to the south-southwest section o the proposed project site. The creek is located within a Regulatory Floodway and is also identified as a wetland riverine. There will be no modifications to the floodway or wetland and there will be no building within the floodway.
IHDA has reached a decision that this is the only practicable alternative. The proposed project would be the acquisition and new construction 58-unit affordable housing development. There will be no building within the floodway.
In the no action alternative, the proposed project would not occur. The proposed project site would continue as underutilized vacant land and would not provide any benefits to the community in the form of expanded affordable housing. Alternative sites are not available for this development and currently this is the only site in the community zoned appropriately for a multi-family development. No action would result in no development. The proposed project is the preferred alternative as it would provide affordable housing options for local residents, while resulting in no significant impacts to the environment.
All required federal, state and local permits will be acquired before beginning construction and all permit conditions will be complied with.
The IHDA has additional information on this proposed project that can be reviewed by submitting an email to Amy Coyne at acoyne@ihda.org.
Written comments on this proposed project are invited and must be received by IHDA, Multifamily Financing Department to the attention of Amy Coyne at email address acoyne@ihda.org by December 28, 2022. All such comments will be taken into consideration by IHDA prior to its decision on the proposed project.
