HEARING OFFICER ORDER

Midwest Generation’s Sixth Motion to Extend Stay of Proceedings

On January 24, 2023, Midwest Generation, LLC., (PCB 16-19) (MWG), filed a “Sixth Motion to Extend Stay of Proceedings” (Mot.). MWG requests the stay until March 1, 2023, 2023 while the Illinois Environmental Protection Agency (IEPA) incorporates the relief granted in PCB 20-38 and PCB 20-39 for the Joliet Stations into their NPDES permits. Mot. at 4-5. MWG states that the IEPA does not object to its motion. Mot. at 5.

Note that the Board’s Order of July 25, 2019, consolidated this petition with INEOS v. Joliet, LLC, PCB 16-24 for purposes of hearing. Midwest Generation, LLC, v. IEPA, PCB 16-19 (July 25, 2019).

MWG’s motion to stay is granted until March 1, 2023, or until the Board orders otherwise.

The parties or their legal representatives in PCB 16-19 are directed to participate in a telephonic status conference with the hearing officer on March 2, 2023, at 10:00 a.m. The parties or their legal representatives in PCB 16-24 are directed to participate in a telephonic status conference with the hearing officer on March 2, 2023, at 10:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
