**HEARING OFFICER ORDER**

On January 26, 2022, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the Shiner noise reports, whether the respective reports adhered to the Board's regulations, different burdens for a motion for summary judgment and hearing. The complainant asked if the Illinois Environmental Protection Agency would assist him in his prosecution of the case. I informed him that they would not but suggested that he contact law schools and that they may be able to assist him. The parties were directed to email me a proposed discovery schedule. I will review and issue an order.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 9, 2023, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. The respondent will provide the call-in number.

IT IS SO ORDERED.
