Respondent.)

ORDER OF THE BOARD (by K.M. Hennessey):

On March 2, 1999, the Illinois Attorney General and Capital Engineering & Mfg. Co., filed a stipulation and proposal for settlement, accompanied by a motion requesting relief from the hearing requirement of Section 31(c)(2) of the Environmental Protection Act (Act) (415 ILCS 5/31(c)(2) (1996)). Pursuant to Section 31(c)(2) of the Act, the parties may file with the Board a stipulation and proposal for settlement accompanied by a request for relief from the hearing requirement. Unless the Board determines that a hearing is needed, the Board is required to cause notice of the stipulation and proposal for settlement and request for relief.

The Board directs the Clerk of the Board to cause publication of the required newspaper notice for the stipulation and proposal for settlement and request for relief from hearing concerning the complaint filed by the Illinois Attorney General on behalf of the People of the State of Illinois. Any person may file a written demand for hearing within 21 days after receiving the notice. If a hearing is requested, the Board will deny the parties' request for relief and schedule a hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of March 1999 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
