**HEARING OFFICER ORDER**

On April 20, 2023, all parties participated in a telephonic status conference with the hearing officer. The attorneys representing the related appeal, PCB 23-109, also participated. It is noted that respondent Lakeshore Recycling Systems, LLC, (Lakeshore Recycling) filed a motion to consolidate PCB 23-107 with PCB 23-109 on April 12, 2023. The Board has taken it under advisement. There is no objection to the motion to consolidate by any of the parties. It is noted that respondent, City of West Chicago, will await the Board's decision before filing the record in 23-109, if need be.

Protect West Chicago (PWC) has filed a motion to amend its petition. The parties were directed to file their respective responses to PWC's motion on or before April 24, 2023.

PWC has filed a motion for extension of time to file its' response to Lakeshore Recycling's motion to vacate and strike the Board order dated April 6, 2023. No party objected. PWC's motion is granted and PWC's response is now due on or before May 12, 2023. The parties for both PCB 23-107 and PCB 23-109 anticipate filing a proposed discovery schedule on or before April 24, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 11, 2023, at 11:30 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
