ORDER OF THE BOARD (by J. Marlin):

This matter comes before the Board upon a July 31, 1984 filing entitled motion by petitioner to file instanter supplementary information and in addition, a partial waiver of the ninety day decision requirement.

The Board hereby denies the motion but accepts the supplementary information as an amended petition. Since petitioner has submitted additional information into the record the Board considers the submission as a pro tanto waiver of the original ninety day decision period. To rule otherwise would enable petitioner to submit vital information just before Board decision thereby leaving inadequate time for others to comment on the submission. The ninety day clock for Board decision starts anew as of the date of filing. The partial waiver is unnecessary.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2<sup>nd</sup> day of August, 1984 by a vote of 6-0.
