AMENDED HEARING OFFICER ORDER

On May 25, 2023, all parties participated in a telephonic status conference. I informed the parties that the parties' recent motions and responses are under review. The City of West Chicago stated that it anticipates filing a timely motion for leave to file a reply to Protect West Chicago's (PWC) response.

Lakeshore Recycling Systems (Lakeshore) stated that it will file an additional waiver to December 7, 2023. Lakeshore also informed that the responses to PWC's request for production of documents are voluminous and sought approval from the parties whether they objected to providing a link to access the documents. There were no objections. Lakeshore will also file electronically with the Clerk of the Board.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 22, 2023, at 11:00 a.m. The telephonic status conference must be initiated by the petitioners and are to provide a call-in number.

IT IS SO ORDERED.
