ORDER OF THE BOARD (by J.D. Dumelle):

On June 7, 1983 the Illinois Environmental Protection Agency (Agency) filed a motion to dismiss Alco Gravure, Inc.'s petition for variance for failure to conform with the requirements of 35 Ill. Adm. Code 104.121 and 104.122. The Agency's concerns are well founded. However, the Board will not order dismissal at this time, but rather hereby orders Alco Gravure to file an amended petition within 45 days of the date of this Order curing the defects noted in the Agency's motion for dismissal. If such amendment is not forthcoming, the petition will be subject to dismissal. The Board also notes that information regarding the financial status of Alco Gravure would be useful in a determination of unreasonable hardships.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 16th day of June, 1983 by a vote of 4-0.
