HEARING OFFICER ORDER

On September 7, 2023, a conference call was held. The complainant reported that the respondent has forwarded all the required documents and at present is drafting stipulation and proposal for settlement and will forward to the respondent for review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 16, 2023, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, it will be cancelled without further notice.

IT IS SO ORDERED.
