ORDER OF THE BOARD (by J. D. Dumelle):

On September 22, 1983 Krohn Development Corporation (Krohn) filed a waiver of the decision deadline in this matter until November 22, 1983 which was the date by which a decision was due in any case. In response to a telephone inquiry by the Clerk of the Board, a second waiver, which did not waive to a date certain and must be considered an open waiver, was filed on September 29, 1983. On November 17, 1983 a third waiver was filed purporting to waive decision only until March 22, 1984, stating that "it has come to our attention that the [September 29] waiver letter . . . did not contain a date for termination of the waiver."

The Board will not give effect to the waiver to March 22, 1984. However, since the waiver implicitly suggests that a decision is desired by March 22, 1984, the Board will make every effort to decide the case by that date if the complete record is before the Board in a timely fashion.

IT IS SO ORDERED.

Board Member John Marlin abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 15th day of December, 1983 by a vote of 6-0.

 Christan L. Moffett, Clerk
 Illinois Pollution Control Board
