ORDER OF THE BOARD (by J.D. Dumelle):

On June 21, 1982 Yogi Bear's Jellystone Camp-Resort filed a petition for variance from Rule 1201 of Chapter 3: Water Pollution. That petition is insufficient in that hearing is neither waived nor requested pursuant to Procedural Rule 401(b). The Board notes that if hearing is waived, such waiver must be accompanied by an affidavit attesting to the truth of the facts alleged. Further, the Board requests more information regarding the discharge point, the operator's experience, data concerning effluent quality, the environmental impact and the status of the Camp-Resort's NPDES Permit [Procedural Rule 401(a)].

Unless the Camp-Resort files an amended petition curing the above-noted defects within 45 days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 1st day of July, 1982 by a vote of 5-0.
