**HEARING OFFICER ORDER**

On March 21, 2024, all parties participated in a telephonic status conference. The parties reported that discovery is proceeding pursuant to the discovery schedule. Complainant reported that it will supply respondent with supplemental document production. The parties agreed that depositions cannot be held until respondent’s motion to dismiss is ruled upon by the Board. Respondent noted that what is primarily at issue in its motion is the definition of waste.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 23, 2024, 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
