ORDER OF THE BOARD (by B. Forcade):

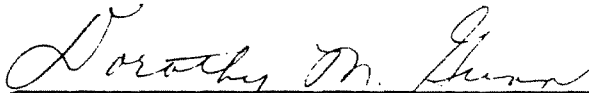

On April 22, 1986, the Village of Round Lake filed a Petition for Variance seeking relief from regulations on restricted status and standards for permit issuance as those regulations pertain to limitations on combined Radium 226 and 228. That petition is deficient in that it fails:

To identify the public water supply customers or facilities for which hook-up and permits are sought.

Unless an amended petition is filed within 45 days curing the above-noted defect, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24<sup>th</sup> day of April, 1986, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
