Executive Director

DATE: September 6, 2024

RE: Standards for the Disposal of Coal Combustion Residuals in Surface
Impoundments (35 Ill. Adm. Code 845)
48 Ill. Reg. 13140 - 9/6/24

Pursuant to 1 Ill. Adm. Code 220.275 and Sections 5-40(c) and 5-100(e) of the Illinois Administrative Procedure Act, JCAR is requesting from your agency a State Mandates Act questionnaire and an analysis of the economic and budgetary effects and of the above-referenced rulemaking. The State Mandates Act questionnaire should be completed using the standard State Mandates Act questionnaire form ([1 Ill. Adm. Code 220.EXHIBIT A](#)) and the economic and budgetary effects analysis should be completed using the standard Agency Analysis of Economic and Budgetary Effects of Proposed Rulemaking form ([1 Ill. Adm. Code 220.EXHIBIT B](#)). Both of these forms can be transmitted to JCAR at any time during the First Notice period, but no later than when the agency submits its Second Notice filing on this rulemaking.

JCAR staff will contact you if they need any further details or clarification regarding the information provided. The information from the questionnaire and analysis will be presented to the members of JCAR as part of JCAR staff's review of this rulemaking.

Thank you for your efforts to provide the information requested and continued cooperation during the rulemaking process. If you have any questions regarding this request, please contact us at 217-785-2254.
