HEARING OFFICER ORDER

On September 26, 2024, all parties participated in a telephonic status conference. The parties reported that they remain discussing the contents of a draft stipulation and still estimate that it remains 95%-99% complete. Complainant has contacted the City of Winnetka regarding a newly arisen issue of whether the schools dust collector is lawfully allowed to operate on Sundays, if needed. Mr. Kruk stated the Village has been in discussions with him and expects a follow-up call from the City next week. Respondent reported that it sent a revised stipulation to the complainant yesterday, but complainant said he did not receive it. Respondent will resend.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 24, 2024, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
